

Dear Steve:

Please accept this small token of my appreciation for your hard work and diligence -- over the course of 4+ months -- on the township's revision of the Act 1117 Remmber ordinance. While I appreciate everything you contributed to our many and varied discussions, I am most grateful for your interest and loyalty to the well-being of Derry Township. The work we did together should most surely serve as a model for the way good communities should be run.

Thank you again for your service.

Kelley
